

## FLUTTER TASK - WEEK 2

Hey guys, Welcome to the TechOdessey Flutter event conducted by team DCS.  
So, as we gave the first-week task so simple, let us continue with some interesting ones.

### Task 2

The second task is all about UI. You will be doing 4 screens.

- First screen: Intro Page
- Second screen: Registration form with Name, Email, Phone number, Password.
- Third screen: Login form consisting of email and password.
- Fourth screen: Homepage with a welcome message
- Add appropriate navigations among the screens.

Brownie point for those who go beyond the requirements!!

## Screens:

4:17

Say hello to your new app

Log In

Sign Up

This is a mobile app login screen. At the top, the status bar shows the time as 4:17 and signal/battery icons. The main text "Say hello to your new app" is centered in a red font. Below it are two rounded rectangular buttons: a solid red "Log In" button and a white "Sign Up" button with a red border. A black horizontal line at the bottom represents the home indicator bar.

4:18

<

Create new account

Full Name

Phone Number

E-mail Address

Password

Sign Up

This is a mobile app "Create new account" screen. At the top, the status bar shows the time as 4:18 and signal/battery icons. A red back arrow is in the top left corner. The title "Create new account" is in red. Below it are four input fields with rounded corners and light gray borders, labeled "Full Name", "Phone Number", "E-mail Address", and "Password". At the bottom is a solid red "Sign Up" button. A black horizontal line at the bottom represents the home indicator bar.
