

AR/VR TEAM - WEEK 4

Hey guys! Welcome to the 4th task of the TechOdyssey series. Hope you enjoyed doing the week 3's task.

Tutorial on Film Roll effect :

<https://www.youtube.com/watch?v=hbPmvTsgNWE>

Refer to the spark ar website to know more about shader patches :

<https://sparkar.facebook.com/ar-studio/learn/patch-editor/shader-patches/visual-shader-patches>

Task :

Create a film roll filter based on the tutorial given above with changes in the background colors in the top and bottom parts of the roll frame using shader patches .

THANK YOU!
